Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for **Wastewater Collection - CSO30 Discharge Reduction (Wilmington, DE)** in fiscal year 2025. The entity to receive funding for this project is the **U.S. Army Corps of Engineers**. The funding would be used for **pipeline construction to help manage sewer water discharge**. The project is an appropriate use of taxpayer funds **because it will protect the public health of a community deemed low income and help their sewer infrastructure withstand the impacts of increment weather**.

The project has a Federal nexus because the funding provided is for purposes authorized by **Section 566 of the Water Resources Development Act of 1992, as amended, 33 U.S. Code Chapter 36**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lisa Blunt Rochester".
