The Honorable Kay Granger
Chairwoman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I request the Subcommittee provide \$1,082,537 from the **Rural Development, Rural Housing Services, Community Facilities Grants** account for the project titled "Make it Real for Rosa." The entity to receive the funding for this project is the Rosa Health Center located at 10 North Front Street, Georgetown, Delaware 19947. The project would provide critical capital improvements to the Rosa Health Center, including doubling the size of the current building, provide 6 additional exam rooms, and critical renovations to the building. These improvements will improve the health services provided to over 1900 patients in the Delmarva region.

This project has a federal nexus as it is for the same purposes authorized in section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lisa Blunt Rochester".
