Chairwoman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Improving Town of Milton's Public Works Facility project in Fiscal Year 2024. The entity to receive funding for this project is the Town of Milton, located at 115 Federal Street, Milton, DE 19968. The funding would be used for making the necessary improvements to the town's public works facility, including erosion and sediment controls and constructing stormwater basin and collection system piping. The project is an appropriate use of taxpayer funds because the project will improve the delivery of potable water to a rural, underserved community and create infrastructure to support economic development.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lisa Blunt Rochester".
