The Honorable Rosa L. DeLauro
Chairwoman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for addressing PFAS in wastewater infrastructure in Delaware in Fiscal Year 2022. The entity to receive funding for this project is the Center for PFAS Solutions at the Science, Technology, and Research Institute of Delaware (STRIDE) located at 272 Quigley Boulevard, New Castle, DE 19720.

The funding would be used to help address PFAS contamination from wastewater treatment plants in both urban and rural Delaware. Addressing this contamination can help mitigate the prevalence of PFAS in surface and groundwater across Delaware and prevent associated health effects of PFAS contamination.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Lisa Blunt Rochester".
