The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Central Delaware Habitat for Humanity Building & Land Expansion** project in Fiscal Year 2024. The entity to receive funding for this project is the **Central Delaware Habitat for Humanity**, located at **2311 S. DuPont Hwy, Dover, Delaware 19901**. The funding would be used for **the acquisition of land for affordable housing, capital improvements of their ReStore which helps fund continued services, the renovation of a vacant building to create offices and meeting spaces that will allow for an expansion of their ReStore, and expansion of volunteer housing**. The project is an appropriate use of taxpayer funds because **pursuant to the Community Development Block Grant program, the project will increase the stock of affordable housing in Central Delaware and meet a compelling local need as low-income households in Central Delaware currently struggle to find affordable homes**.

The project has a Federal nexus because the funding provided is for purposes authorized by **Section 5305(a)(2) and Section 5305(a)(4) of 42 U.S.C., the Community Development Block Grant (CDBG) Program, authorized under Title I of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C. 5301 et seq.**

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lisa Blunt Rochester".
